segmention than that of giving form and expression to the theory of popular sovereignty. They construe opposition to the Karsus-Nebraeka bill into an opposition to the Karsus-Nebraeka bill into an opposition to popular sovereignty. They cannot can describe the propular sovereignty. They cannot can describe the theory in demonstrates the propular sovereignty. They cannot can be supposed to the supposed to the supposed to the propular sovereignty. They cannot can be supposed to the supposed

favor of popular soverignty and against the pas-nage of the Kansas Ne raska bill. He says:

Kapass-Nebraska bill was used by the Democratic Considering that the Vist and Committee was different view to the eye of every separate beholder. It had as many faces as there are factions in the Democratic party. It was regarded as a Southern measure by Southern Democrats and as a Northern measure by Northern Democrats. By one faction measure by Northern Democrats and as a Northern measure by Northern Democrats are as the variety of an area of the variety of a first the variety of the va and the quatter sovereignty feature It conand the number sovereignty feature it cond were the surjects of our demonstation. We
tatelly said that so far as that bill was intended
it tooks promitted; and it will only be a question who can
prowribe and it will only be a question who can
prowribe the state of the control of the c repeatedly said that so far as that bill was intended to reaffirm the right of the loca fide citizens of a territory, when about to ask admission into the l'aion as a State, to form for themselves their own State constitution, its provisions were not objectionable. But the Kansas-Nebraska bill went farther than this. It distinctly recognized the doctrine of equatter sovereignty and conformed upon the mere residents in the territory and upon allow the right to regulate the domestic institutions of the territory and to participate in the formation of the organic large of the new State. To this innovation upon the doctrine of popular sovereignty we, in common with the American party everywhere, have been always interly opposed. It is pregnant with dangers to the territory and tangers to the control of the proposed of the tterly opposed. It is preguant with dangers to the culiar institution of the South. It is calculated give an unfair advantage to the populous North

mequious anti-Lecompton camp-followers of the Lecompton Democracy, that the Kanaar-Nebraska bill was simply a reaffirmation of the right of the pursuit of them, they are in evident consternation. sures of 1850. It was the basis of that great by-gones he by-gones." pted in 1822 by the national conventions of both goner."

comprehensed in the original intentions of the au-hors of that measure. It was not a simply to vindi-ate this doctrine that the Missouri compromise was ari compromise. Not only were we unwilling to lower end of a perpendicular rope. disregard of a solemn compact ed, and we saw clearly, what the result in Kanditional and no less interesting fact that Schaue fared tempting inducements to the migratory canses of the North and the vast infax of alien minigration to rush into the territory, and, while it was still in a territorial condition, to give a permanents for the reconstitutions and altimately insure its erection into a free-oofl State.

These consequences of the nearcy of the Kansar.

foreseen at the time of the introduction of these measures into Congress. Again and again the perple were warned against them. They were told that the Kansas-Nebraska bill was merely a particular and actionics are fast in apart of the beautiful or and actionics are fast in apart of the beautiful or and actionics are fast in apart of the beautiful or and actionics are fast in apart of the perpendicular of the Louisville Journal must be about an actionic and the control of the second must be actioned. They availowed the laval nook that why and anscraption demagagues had balted for them. There are said to be law dearly they have paid the penalty of their and fillings, wasting and fillings, wasting demagages, the history of the country for the last

we denounced the reckless and unscrupulous demagogious and the shameful duplicity of the another of this Democratic atratagem. The justice of our denunciations has been completely vindicated by the consequences of that act of legislation, apon which was based the party platform in the subsequent Democratic national convention. The South has gaired nothing; Kunsas will be emphasically a free State. The country has less much alternative leaves the property of the cover. Spracue Journal we keep the woman will be explanatedly a free State. The country has less much alternative leaves. The country has lost much; slavery agl. re its horrid front in the South and in the North. ral Admini-tration, drunk with party and sea, and corrupted by hopes of perpetuating its and accordilly reputitates by the party subserved the endorsement of the Loc years ago made the Kansas-Nebraska bill the cortice the popular vote in August. nfully repudiated by the party which two

We deploted the repeal of the Miscouri compre ise became we foresew that, while it was not conserved to the visualization of any principle, it which the West will sland on account of his changed prove a Pandora's box, replete with evils and of programme. would prove a Pandora's box, replete with evils and misfortanees to the whole country. We denounced the anthors of tha Kunaas-Neiraska bill, who recklessly and wantonly paltered with the people in a double sense, and, as a more expedient for the temporary aftery of their party, 'invoked the dire misfortanes that have weighed so heavily npon the nation. But never for one moment have we awarved from the principle of popular socretigaty that was made the basis of the compromise measures of 1850, and was solemnly recognized and the distribution of the principle of popular socretigaty is it expected to remain in that very interesting condition?

The right of the boux fide citizens of a Territory, them about to come into the Union as a State, to orm for themselves their own State constitution, in cratic party attempted to conceal by a mass of unistelligible vertiage their transmutation of this vineligible vertiage their transmutation of this vineligible into the miserable, anti-American doctines of equative sovereignty and alien auffrage, he American party alone stood firm to its support

LOUISVILLE JOURNAL, and gallantly battled for its preservation. They their banners. It is incorporated in their placfarm, and its truth and justice are beginning to be recognized and neknowledged by the masses of the other parties who were recently opposing it. A few of those who have nobly and zealously contended for relief. The following is farnished:

American principles, of which this popular sover-

misled by the urgant appeals of sectional demagogues, but we exterted the hope that they will n
soon see their error and return to its support, and

cation of its justice and nationality in the halls Congress. They have seen those who recently op-posed it willingly and cordially yielding to it their support. They have seen the Representatives in Congress of the Republican party, organized for the especial purpose of apposing this principle and recently arrayed hercely against it, lay down their arms, and forewear their sectionalism and acknowledge the justice and nationality of this feature edge the justice and nationality of this feature of the American platform. They have seen trasted dresses in 1856 to accept the Kansas-Nebraska bill as their party platform seem to consider that the doctrine of popular sovereignty had its beginning and trained in that measure. Beyond it they can see suching. It is the ultimatable of their political vision. They affect a prefound ignorance of any other intention and effect of that deplorable act of besentation than that of uviying form and extressions to

tency in denouncing the authors of the Jamos-faced Kunsan-Nebraska stratagem and advocating the principle of popular sovereignty. The editor of the Louisville Democrat has fallen into this error, and preceded to see great inconsistency in our position in the control of the co 8th iast, the day of the election:

Thus, when the upholders of the tominates were confidently expecting a victory, they declared that the whole Committee had coted; but, when they found that an American triumph was won, they proclaimed, by way of excuse, that scancely half of the Committee had gone to the pulls?

Considering that the Vigiance Committee was considering that the Vigiance of corrying the chores.

incaration of spatter sources. The Protean character of this act was alone aufficient to merit the condemnation of all honest men. Its arrant duplication of

and determining the character of their domestic institutions. The result of the application of this squatter sovereignty doctains to the Territory of Kansas is a convincing proof of its tendency to preclude the extension of slavery into the territories where it is allowed to prevail. In that result and in the aggravated sectional agrication, by which the L aion has been imperiled and the whole country distracted during the last four years, may be found a triumphant verification of all our predictions in regard to the evil consequences of the passage of the Kansas-Nebraska bill and a complete vindication of the justice of our denunciation of its authors. If it were true, as to asserted by some of the obsequious anti-Lecompton camp-followers of the

people of a Territory, when about to come into the l'aion as a State, to form for themselves their own State constitution, its passage by Congress in 1854 was allogether superfluous and uncecessary. The Act that they be spared. It pleads what it considered the way of the superfluous and uncecessary. The sake that they be spared. It pleads what it considers to have been their right intention, and rays "let be superfluous and uncecessary."

iple of popular sovereignty was again body, they were to feel in their sinking hearts the

hould be reiterated in 1854 by the Democratic reporters it and would gladiy encourage them and ever message of the Kansas Nebraska bill was altogether hat valely in a bigh wind. The Quaker, seeing a wood-boat touched the steamer, it was discovered a work of supererogation.

The allegation that the Kanasa-Nebraska bill was simply a realization to the principle of popular too creignty was an after consideration. It was not comprehended in the original intentions of the auditor. When the supererogation is the supererogation in the original intentions of the auditor. who fell out of a skiff and was drowned yesterday afternoon.

It was also been said of certains, saids, parasida, lace units, conting on the levee fell trout the roof down, making a teremelous crash. Fortunately, this portion of the building was unoccupied ut the time.

The main building of the botel had a front of one bundred feet on the levee street, by lifty deep; in addition to which there was an L forty by seventy-five feet on Second street. It was five stories in beight, with an actic lifteen feet high—the whole covered with slate. The house was continened a year ago, and would have been finished some time since, had it not been for the hurning of the Col. Crosman, on which vessel the slate for the roof had been shipped.

The building has already cost \$38,000, and required 8,000 to comple e it. The projectly was owned live a joint stock company.

The Cairo company is represented by stock to the amount of \$4,000,000, of which George Pealsody owns \$700,000, having purchased the same during his visit to this country.

The Alvin Adams, which arrived yesterday,

The Alvin Adams, which arrived yesterday, reports matters below Cairo in an awful condition.

Capt. Lamb, both on the down and up rip, coasted about, saving lives and property. He took from two log cabins twenty-live souls. Charlie L. Ward, who was a passenger on the Adams, speaks In the highest terms of the contract A dispatch from St. Joseph of the 18th per linited States express to Boonville says the Salt Lake until two log cabins twenty-five souls. Charlie L. Ward, street express to Boonville says the Salt Lake until two log cabins twenty-five souls. Charlie L. Ward, arrived last night, bringing Camp Scott dates to May 29th. The until train was 17% days on the highest terms of the efforts of the officers of the officers of the officers of the relief.
